Prospectus 2020

INTERNATIONALLY ACCREDITED PERFORMING ARTS & FILM ACADEMY

LOCATION

4TH FLOOR THE SQUARE SHOPPING CENTRE SUNNINGHILL, SANDTON

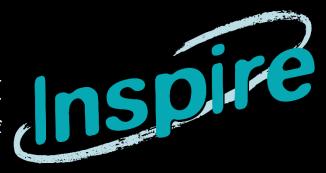

We make it our mission to be the best in what we do and provide our students with the greatest opportunities necessary for them to excel in all aspects of performance. We endeavor to equip students with the necessary skills required for any job within the industry, both local and international.

Our vision at SAFATA is to be an institute that not only boost and develop students internally but also externally so that wherever our students go, there is an ongoing learning experience and a sense of profound purpose.

SAFATA is a family... a family that we build to enhance and develop... Each student under our wing will have the opportunity to fly and reach for the stars while finding their inner-selves and expanding beyond their imagination!

onal Institutions for the best results and licates, Diplomas and Degrees. SAFATA rate Providers in Education, Training &

ACCREDITATION: All our courses are developed by International Institutions for the best results and also provide numerous levels of International Accreditation, Certificates, Diplomas and Degrees. SAFATA is also a registered member of the APPETD (Associations of Private Providers in Education, Training & Development).

ARTICULATION: SAFATA has partnered up with the best institutes across the globe to offer our students state of the art international qualifications. But these partnerships also enables our students – to after their studies, pursue education and further studies at these institutes overseas. SAFATA then assist with fast-tracking the applications and arrangements for studies aboard.

WALKING AN EXTRA MILE...

At SAFATA we cater for the individual needs and talents of all our students.

Our timetables are flexible and can be individualized. For example: a student may major in Filmmaking with Singing and Musical Theatre as secondary subjects or any combination thereof.

There is constant re-evaluation of the student's abilities and classes may be adjusted to accommodate progress and each individual's goals. The timetable is adjusted annually to keep abreast of the ever increasing and changing demands of the profession. Workshops, private tuition and 'catch-up' classes are also offered for certain subjects in order to maintain standards and to prepare our students for their individual and international examinations.

We also assist and advise our students on their portfolio, show reel, finding an agent, employment and on how to "break into the industry" etc. Students also gain practical experience on stages and film sets and get to work with some of the best local and Hollywood actors in the industry.

Lastly, we aim to make the journey for our students memorable and occasionally arrange field trips to studios, movie sets and offer specialized boot camps.

We give all our students PRACTICAL EXPERIENCE in real-life work environments.

OPEN DOOR TO INDUSTRY PROFESSIONALS

Through the use of MASTERCLASS it enables our students to get exclusive and state-of-the-art training, mentorship and once-in-alifetime TIPS from top celebrity and industry professionals in all fields of studies.

This is done through the Masterclass Video Interface Learnership Programs which students have during there classes at SAFATA.

Qualifications Authorities

All of our full-time courses offer students high international qualifications with our international partnering bodies on the RQF framework, recognized by SAQA. However after the student's initial 2 or 3 years of studies – they can always further their studies and qualifications by opting in for another 1-3 years of studies to achieve the ATCL, LTCL and FTCL levels which is Equivalent to a Associate and Honors Degree ...

Students will undergo vigorous training like in any other university and will have to comply with regulations and requirements for these courses and as part of their practical –will receive teaching opportunities AT SAFATA for the first- and second-year students.

These qualifications and requirements can be discussed with the mentors during your training. SAFATA also assist students should they wish to take up these training at the international companies themselves by studying aboard.

SAFATA provides all of our International Qualifications THROUGH these below governing bodies:

WHERE COULD INTERNATIONAL QUALIFICATIONS LEAD?

Trinity College London, Rock School and London Academy of Music and Dramatic Arts are international exam boards regulated by Ofqual (Office of Qualifications and Examinations Regulation) in England, UK, and CCEA Regulation in Northern Ireland and by Qualifications Wales. These are all under the European Qualifications Authority, accredited as Internationally Recognized Qualifications.

Various arrangements are in place with governmental education authorities worldwide, including South Africa (SAQA).

All solo and pair graded qualifications are on the Regulated Qualifications Framework (RQF) and a full set of the regulated titles and numbers for the solo and pair qualifications can be <u>found here</u>. Younger students can earn UCAS points through these International Exams, towards Future Tertiary Acceptance. For others, higher-level qualifications earned through these international examinations will be tertiary education qualifications.

Our graded and certificate exams offer progression towards:

- Qualifications in performing or teaching;
- Acceptance for similar fields of study at other institutions and
- · Employment as a result of increased communication, presentation and teamwork skills.

Student Life

No matter which program you choose, enrolling at SAFATA means that you instantly join a vibrant, energetic and richly diverse community of Performing Arts.

SAFATA Students will not only learn and be educated by some of the TOP mentors and industry professionals worldwide, but will furthermore also get to experience REAL LIFE opportunities and experiences where they will experience and walk in the shoes of many great veterans.

At SAFATA we don't just educate – we also help build a career. Here we train, assist, guide and aid the students with what they need to actually secure work after their studies.

We celebrate multicultural atmospheres and inspire students to be better than what they were Yesterday. SAFATA wants to make the student life as entertaining, as fun and as informative as possible. Therefore, we offer students

- **Accommodation**: Although SAFATA does not offer on-site accommodation ourselves, we do have a list of accommodation in the area which we can recommend to students from far away and abroad.
- Community Projects: Students get involved in community projects, competitions and performances, including Charity Events, Film Festivals, Film Projects, Dance & Talent Festivals and Competitions
- Intimate & Exclusive: No matter where we are situated, how small or how big we are, there is no doubt that each student will get the proper education and value for their money. Mentors make it their mission to focus on each and every student and to ensure that students have that exclusivity and personal assistance from mentors.

Danielle Bennett - Director & CFO of SAFATA

Danielle Bennett is an entrepreneur and has been in the accounting field for 19 years.

Danielle grew up in Johannesburg, South Africa. She is extremely ambitious, hard-working and dedicated to every project she is involved in. Danielle does not approach accounting like a normal "grey suit" accountant, her fun and quirky ways allow her to show that accounting can be exciting and fun.

With her daughter being in the entertainment industry, Danielle became interested in the dealings that go on behind the camera and curtain. With no desire to be in front of the camera or on stage, Danielle joined the team of "DREAMS" series as one of their executive producers with the desire to put South Africa on the entertainment map. With juggling her career and family life, Danielle also decided that you never too old to learn and has resumed her studies at the ripe old age of 37. Danielle is married and has 3 children.

Danielle became a Director of the production company, WINDMILL PRODUCTIONS which was later renamed to Nightlight Productions when one of the other directors stepped down. Danielle's love and passion for the arts also opted her to join the team of SAFATA when she was offered to be one of the Director's of the academy in 2018. She took on the role as the Chief Financial Officer and has helped grow the academy with Barnard since 2018 towards the success it is today.

Danielle has also worked on numerous films as both Production Manager, Location Manager, Producer, Line Producer & Executive Producer.
